**Re: California Independent System Operator Corporation –
Filing of Certificate of Concurrence Relating to the Large Generator
Interconnection Agreement Submitted in Docket No. ER25-428-000**

Docket No. ER25-____-000

Dear Secretary Reese:

The California Independent System Operator Corporation (“CAISO”) hereby submits for filing a Certificate of Concurrence with respect to the Large Generator Interconnection Agreement among Southern California Edison Company (“SCE”), Coso Energy Developers, Coso Power Developers, Coso Battery Storage, LLC, Mordor ES2 LLC, and the CAISO, (“the First Amended LGIA”).¹

I. Overview and Designated Filer

On November 14, 2024, SCE submitted the LGIA in Docket No. ER25-428-000, with a requested effective date of November 15, 2024. In that filing, SCE explained that the First Amended LGIA incorporates modifications to the large generating facility and provisions for co-tenancy to add Mordor ES2 LLC to the First Amended LGIA, regarding the Coso Navy 2 Project.

Rather than filing a duplicate version of the LGIA under the CAISO tariff, the CAISO is submitting a concurrence tariff record. The concurrence tariff record is designated under the CAISO tariff as Service Agreement No. 6513.

¹ The CAISO submits this filing pursuant to Sections 35.1 and 131.52 of the Commission’s regulations, 18 C.F.R. §§ 35.1, 131.52.

SCE serves as the “designated filer” to the LGIA pursuant to the Joint Tariff Filing procedures outlined in Order No. 714.² SCE filed the service agreement under SCE’s Transmission Owner (TO) Tariff and designated it as Service Agreement No. 262.

II. Proposed Effective Date and General Request for Waivers

The CAISO respectfully requests any waivers of the Commission’s filing regulations necessary to establish an effective date of November 15, 2024 for its Certificate of Concurrence for the LGIA, consistent with the effective date that SCE requested in its November 14, 2024 filing. To the extent that the enclosed materials and information do not meet the detailed filing requirements of the Commission’s regulations, the CAISO respectfully requests that the Commission grant any necessary waivers.

³ 18 C.F.R. § 385.203(b)(3).
