**Re: California Independent System Operator Corporation  
Notice of Cancellation of Certificate of Concurrence  
Regarding Granite Wind LGIA**

**Docket No. ER15-\_\_\_\_-000**

Dear Secretary Bose:

The California Independent System Operator Corporation (“CAISO”) submits for Commission acceptance this notice of cancellation of the certificate of concurrence filed by the CAISO regarding a large generator interconnection agreement among Granite Wind, LLC (“Granite Wind”), Southern California Edison Company (“SCE”), and the CAISO (“Granite Wind LGIA”).<sup>1</sup> The CAISO respectfully requests that the Commission accept this notice of cancellation effective as of March 16, 2015.

**I. Background**

SCE submitted the currently effective version of the Granite Wind LGIA as SCE Service Agreement No. 91, and it was accepted by the Commission effective January 1, 2013.<sup>2</sup> The Commission also accepted the certificate of concurrence filed by the CAISO regarding the Granite Wind LGIA effective January 1, 2013.<sup>3</sup>

---

<sup>1</sup> The CAISO submits this notice of cancellation pursuant to Section 35.15 of the Commission’s regulations (18 C.F.R. § 35.15).

<sup>2</sup> See *Southern California Edison Co.*, Letter Order Approving Changes to Facilities Charges, Docket No. ER13-875-000 (March 1, 2013). This version of the LGIA superseded the original version approved in *Southern California Edison Co.*, 134 FERC ¶ 61,032 (2011).

<sup>3</sup> See *California Independent System Operator Corp.*, Letter Order Approving Certificates of Concurrence, Docket No. ER13-1994-000 (Aug. 26, 2013).

Pursuant to Granite Wind's request, on January 14, 2015, SCE filed a notice of cancellation of the Granite Wind LGIA in Docket No. ER15-846-000 with a requested effective date of March 16, 2015. Because the Granite Wind LGIA will be terminated pending Commission approval, the CAISO tenders this filing to cancel its corresponding certificate of concurrence.

## **II. Effective Date and Request for Waivers**

The CAISO respectfully requests that the Commission accept this notice of cancellation effective as of the March 16, 2015 requested effective date of SCE. Because SCE has already provided sufficient notice of cancellation pursuant to 18 C.F.R. § 35.15(a), good cause exists to grant any necessary waivers and approve the CAISO's requested effective date so that the cancellations are concurrent.

## **III. Communications**

The CAISO requests that the following individuals be placed on the official service list for this proceeding:

**IV. Service**

The CAISO has served this filing on Granite Wind, SCE, the California Public Utilities Commission, and all parties to Docket No. ER15-846-000. In addition, the CAISO has posted a copy of this filing on its public website.

**V. Conclusion**

For the reasons stated above, the CAISO requests that the Commission accept this notice of cancellation of the Granite Wind LGIA effective March 16, 2015.

Respectfully submitted,

**By: /s/ William H. Weaver**
