ORDER SCHEDULING SETTLEMENT CONFERENCE

(Issued January 20, 2010)

1. On January 20, 2010, the undersigned held a settlement conference with the parties. The California Independent System Operator Corporation (CAISO) began the conference with a history of the current dispute. The CAISO then presented the parties with a chart depicting the impact of the Market Usage-Forward Energy Charge (MUFE charge) on various parties. After CAISO's presentation, the parties expressed their positions and concerns regarding the MUFE charge.
2. Ultimately, the parties requested more data information from CAISO. Therefore, CAISO agreed to provide the parties with a three month data analysis by February 10, 2010. Commission Trial Staff agreed to establish a list serve through which parties may present questions and answers.
3. Given the parties' good faith efforts to amicably resolve this matter, the undersigned HEREBY SCHEDULES a settlement conference to be held on March 3, 2010 a.m. in a hearing room of the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. In the meantime, the undersigned encourages the parties to continue settlement negotiations among themselves.
