**Categories:** ISO News and Information

**Subject:** NOTICE OF TELEPHONIC MEETING ON STATUS OF RE-RUN ACTIVITY

---

**Summary:**

Telephonic Meeting on Re-run Activity

---

**Main Text:**

On Thursday, January 13, 2005, the California Independent System Operator ("ISO") will hold a teleconference to receive stakeholder input and answer questions on the current status of the FERC refund re-run that is being conducted as ordered by the FERC in Docket No. EL00-95-000 et al. The call will begin at 12 noon Pacific time and will last for approximately one hour. Please review the applicable re-run status reports that the ISO has filed prior to the meeting. The call-in number will be,

Call in Number: (888) 261-7938

Conference Code: 5726316

Questions to be answered at the meeting should be submitted in advance via e-mail to the ISO representative named below. The questions should be submitted by the close of business Friday, January 7th.
