System Operator Corporation

Reference: Compliance Filing

Dear Mr. Dozier:

On March 20, 2009, the California Independent System Operator Corporation (CAISO) submitted for filing Substitute First Revised Sheet No. 1219 and First Revised Sheet No. 1506 to its Small Generator Interconnection Procedures (SGIP) in compliance with the Commission's Order on Rehearing and Compliance Filings issued on March 3, 2009.¹ In the March 3rd Order, the Commission directed the CAISO to make a single revision to the SGIP, requiring the restoration of SGIP Section 4.11 as proposed in the CAISO's original SGIP filing. The instant filing complies with the directives of the March 3rd Order. Accordingly, Substitute First Revised Sheet No. 1219 is accepted for filing effective November 16, 2007 for the CAISO's pre-MRTU tariff, and First Revised Sheet No. 1506 is accepted for filing effective March 31, 2009 for its MRTU tariff, consistent with effective dates established in prior Commission orders.

The filing was noticed on March 23, 2009, with comments, protests, or motions to intervene due on or before April 10, 2009. No protests or comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any unopposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

¹ See California Independent System Operator Corporation, 126 FERC ¶ 61,191 (2009) (March 3rd Order).

This acceptance for filing shall not be construed as constituting approval of the referenced filing or any rate, charge, classification or any rule, regulation or practice affecting such rate or service provided for in the filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the California Independent System Operator Corporation.

This action is taken pursuant to the authority delegated to the Director, Division of Tariffs and Market Development – West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director
Division of Tariffs and Market
Development – West
