**UNOPPOSED JOINT MOTION FOR
ADOPTION OF JOINT TRANSCRIPT
CORRECTIONS**

**TO: The Honorable Joel deJesus
Presiding Administrative Law Judge**

Pursuant to Rules 212 and 510(b) of the Federal Energy Regulatory Commission’s (“Commission”) Rules of Practice and Procedure,¹ the Office of Administrative Law Judges Uniform Hearing Rules section 7(b)(2),² and the Presiding Administrative Law Judge’s June 2, 2026, *Order Adopting Revised Procedural Schedule* in the above-captioned consolidated proceedings,³ DCR Transmission, L.L.C. (“DCRT”), the California Independent System Operator Corporation (“CAISO”), the California Public Utilities Commission (“CPUC”), the Cities of Anaheim, Azusa, Banning, Colton, Pasadena, and Riverside, California (the “Six Cities”), the California Department of Water Resources State Water Project (“DWR”), the Northern California Power Agency (“NCPA”), and the Federal Energy Regulatory Commission (“FERC”) Trial Staff (together, the “Active Participants”) hereby respectfully request that the Presiding Administrative Law Judge adopt the attached Joint Transcript Corrections for the above-captioned proceedings.

¹ 18 C.F.R. §§ 385.212, 385.510(b) (2026).

² FERC, Office of Administrative Law Judges, “Uniform Hearing Rules” (Jan. 5, 2022).

³ *DCR Transmission, L.L.C.*, “Order Adopting Revised Procedural Schedule,” Appendix (unpublished) (June 2, 2026) (J. deJesus).

The Joint Transcript Corrections reflect the input of each of the Active Participants. The Electricity Transmission Competition Coalition participated in the review and discussions about, but takes no position on, the proposed transcript corrections.⁴

DCRT circulated proposed transcript corrections to Active Participants on a rolling basis on April 29, May 15, and June 8, 2026. Thereafter, Active Participants exchanged proposed transcript corrections through the third week of June 2026. On Thursday, June 18, 2026, DCRT and the Active Participants⁵ met and conferred via videoconference to resolve disputed corrections. These disputed revisions were discussed on that videoconference, and the agreed-upon resolutions of those disputes are reflected in the attached proposed transcript corrections.

On Friday, June 19, 2026, DCRT, on behalf of the Active Participants, circulated via electronic mail a draft of the Joint Transcript Corrections to all persons listed on the official service lists for each of the above-captioned dockets and requested that comments, additional transcript corrections, or changes to the proposed transcript corrections be provided by 10:00 a.m. ET, Monday, June 22, 2026. DCRT received minor revisions to the Joint Transcript Corrections from several of the Active Participants, which were incorporated into the documents included in this filing. No other party other than the Active Participants provided comments on the Joint Transcript Corrections circulated on June 19, 2026.

The proposed transcript corrections submitted herewith are both public and non-public, confidential, marked versions of certain of the hearing transcripts that reflect the portions of the hearing that were conducted in confidential, privileged or privileged-highly confidential sessions.

⁴ The fact that the Active Participants are submitting this motion jointly does not mean that the Active Participants agree with or support the substance of the statements made in the transcript, but rather simply that certain corrections are necessary to ensure that the transcript is clear and accurate.

⁵ The invitation to the videoconference went to all persons listed on the official service lists in the above-captioned dockets. San Diego Gas & Electric Company joined the videoconference, in addition to the Active Participants.

The proposed transcript corrections are attached as follows:

(1) Attachment A – Public, marked “PUB,” with the substance of all CUI//PRIV and CUI//PRIV-HC corrections redacted;

(2) Attachment B – Privileged, marked “CUI//PRIV,” with the substance of all CUI//PRIV-HC corrections redacted; and

(3) Attachment C – Privileged – Highly Confidential, marked “CUI//PRIV-HC.”

WHEREFORE, the Active Participants respectfully request that the Presiding Judge adopt the Joint Transcript Corrections attached hereto.

Respectfully submitted,

(signatures begin on next page)
