**Re: California Independent System Operator Corporation  
ER18-1420-\_\_\_\_**

**Filing to Correct eTariff Record Metadata**

Dear Secretary Bose:

On April 23, 2018, the California Independent System Operator Corporation (“CAISO”) filed a certificate of concurrence as an amendment to its non-conforming service agreements tariff in this proceeding. Commission staff notified the CAISO that the April 23 filing included an error in the metadata pertaining to the eTariff record. The CAISO thus files this amendment to its tariff filing to correct that error. Clean and marked tariff records are included in the original filing. The CAISO has served this filing on the service list maintained by the Commission for this proceeding.

Please contact the undersigned if you have any questions regarding the foregoing.

Respectfully submitted,

**By: /s/ William H. Weaver**
