**Re: California Independent System Operator Corporation
Notice Concerning Service of Supplementary Compliance Filing
Docket No. ER04-835-003**

Dear Secretary Salas:

On September 2, 2003, the California Independent System Operator Corporation ("ISO") submitted a supplementary compliance filing ("Supplementary Compliance Filing") to comply with the Commission's July 8, 2004 "Order on Tariff Amendment No. 60," issued in the captioned docket, 108 FERC ¶ 61,022. The Supplementary Compliance Filing indicated that the filing was served on all parties in the captioned proceeding on September 2. However, through an administrative oversight, the Supplementary Compliance Filing was in fact not served until September 3. The ISO apologizes for any inconvenience this may have caused.
