

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Oversee the Resource Adequacy Program, Consider Program Reforms and Refinements, and Establish Forward Resource Adequacy Procurement Obligations.

Rulemaking 25-10-003

**CALIFORNIA INDEPENDENT SYSTEM OPERATOR CORPORATION
MOTION TO ADJUST THE TRACK 1 SCHEDULE FOR
LOCAL CAPACITY TECHNICAL ANALYSIS AND
FLEXIBLE CAPACITY NEEDS ASSESSMENT FOR 2027**

Pursuant to Rule 11.1 of the California Public Utilities Commission’s (Commission) Rules of Practice and Procedure, the California Independent System Operator Corporation (CAISO) moves that the Commission modify the Track 1 schedule for filing the CAISO’s Flexible Capacity Needs Assessment (*i.e.*, the flexible capacity requirements or FCR) and Local Capacity Technical Analysis (*i.e.*, the Local Capacity Requirements or LCR). Based on the timeline for the CAISO’s study process, including stakeholder review and comment, the draft LCR will not be available until April 3, 2026. As a result, the CAISO recommends that the Commission modify the procedural schedule accordingly.

Currently, the procedural schedule provides the following for FCR and LCR related filings:

Track 1 Schedule for FCR and LCR Issues	
CAISO publishes draft 2027 LCR Report	April 1, 2026
Comments on draft 2027 LCR Report filed and served	April 16, 2026
CAISO publishes final 2027 LCR Report	May 1, 2026
Comments on final 2027 LCR Report filed and served	May 8, 2026
Reply comments on final 2027 LCR Report filed and served	May 13, 2026
CAISO publishes final 2027 FCR Report	Early May 2026
Comments and reply comments on final 2027 FCR Report filed and served	Mid-May 2026

As stated above, the CAISO cannot provide the draft LCR under the current schedule. Accordingly, the CAISO proposes to modify the schedule as follows (modifications in *bold italics*):

Track 1 Schedule for FCR and LCR Issues	
CAISO publishes draft 2027 LCR Report	<i>April 3, 2026</i>
Comments on draft 2027 LCR Report filed and served	<i>April 20, 2026</i>
CAISO publishes final 2027 LCR Report	May 1, 2026
Comments on final 2027 LCR Report filed and served	May 8, 2026
Reply comments on final 2027 LCR Report filed and served	May 13, 2026
CAISO publishes final 2027 FCR Report	Early May 2026
Comments and reply comments on final 2027 FCR Report filed and served	Mid-May 2026

As reflected in the table above, the CAISO does not propose any modifications to the schedule for the final 2027 LCR Report or the final 2027 FCR Report.

Respectfully submitted,

By: /s/ Marissa Mercado
