**Re: California Independent System Operator Corporation –  
Filing of Certificates of Concurrence Relating to Large Generator  
Interconnection Agreements Submitted in Docket No. ER14-1287-000**

**Docket No. ER14-\_\_\_\_-000**

Dear Secretary Bose:

The California Independent System Operator Corporation (“ISO”) hereby submits for filing Certificates of Concurrence with respect to the Large Generator Interconnection Agreements among (1) Alta Wind Q97, LLC, Southern California Edison Company (“SCE”), and the ISO (“Q97 LGIA”), and (2) Alta Wind Q153, LLC, SCE, and the ISO (“Q153 LGIA”).<sup>1</sup>

## **I. Overview and Designated Filer**

On February 7, 2014, SCE submitted the Q97 LGIA and Q153 LGIA in Docket No. ER14-1287-000, with a requested effective date of April 9, 2014. SCE’s filing is pending before the Commission.

Rather than filing duplicate versions of the Q97 LGIA and the Q153 LGIA under the ISO tariff, the ISO is submitting the concurrence tariff records attached to this filing. The concurrence tariff record for the Q97 LGIA is designated as Service Agreement No. 2970 under the ISO tariff. The concurrence tariff record for the Q153 LGIA is designated as Service Agreement No. 2971 under the ISO tariff.

---

<sup>1</sup> The ISO submits this filing pursuant to Sections 35.1 and 131.52 of the Commission’s regulations, 18 C.F.R. §§ 35.1, 131.52.

SCE serves as the “designated filer” as to the Q97 LGIA and Q153 LGIA pursuant to the Joint Tariff Filing procedures outlined in Order No. 714.<sup>2</sup>

## **II. Proposed Effective Date and General Request for Waivers**

The ISO respectfully requests any waivers of Part 35 of the Commission’s regulations (18 C.F.R. Part 35) necessary to establish an effective date of April 9, 2014 for its Certificates of Concurrence for the Q97 LGIA and Q153 LGIA, consistent with the April 9, 2014 effective date that SCE requested in its February 7, 2014 filing. Also, to the extent that the enclosed materials and information do not meet the detailed filing requirements of Part 35 of the Commission’s regulations, the ISO respectfully requests that the Commission grant any necessary waivers.

## **III. Communications**

The ISO requests that the following individual be placed on the official service list for this proceeding.
