Reference: Amendments to Large Generator Interconnection Agreements

Dear Mr. Dozier:

On February 15, 2011, as amended February 16, 2011, the California Independent System Operator (CAISO) filed amendments to three Large Generation Interconnection Agreements (LGIAs) among SoCal Edison, Solar Partners I, LLC, Solar Partners II, LLC, Solar Partners VIII, LLC (collectively, Interconnection Customers) and the California Independent System Operator Corporation (CAISO). The CAISO states it is submitting these LGIA amendments in order to have them accepted as amendments to non-conforming service agreements of the CAISO and to enter them into the CAISO's eTariff system consistent with SoCal Edison's filing in Docket No. ER11-2877-000. Waiver of the Commission's notice requirements pursuant to section 35.11 of the Commission's rules and regulations (18 C.F.R § 35.11) is granted and the proposed amendments to the three LGIAs are accepted for filing effective January 26, 2011, as requested.

This filing, as amended, was noticed on February 15, 2011, and February 17, 2011 with comments, protests, or motions to intervene due on or before March 8, and March 9, 2011, respectively. No protests or comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and

Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification or any rule, regulation or practice affecting such rate or service contained in your tariff; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the California Independent System Operator Corporation.

This action is taken pursuant to the authority delegated to the Director, Division of Electric Power Regulation – West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director  
Division of Electric Power  
Regulation - West
