**MOTION TO INTERVENE OF THE CALIFORNIA INDEPENDENT

II. BACKGROUND

On May 11, 2001, Mirant Delta, LLC (formerly Southern Energy Delta, L.L.C.) and Mirant Potrero, LLC (formerly Southern Energy Potrero, L.L.C.) (collectively, the "Mirant Parties") tendered for filing a refund report as required by the Offer of Settlement filed in the above-captioned proceedings on September 28, 2000. The Offer of Settlement was approved by letter order issued by the Commission on March 15, 2001. 94 FERC ¶ 61,275 (2001) ("Settlement"). The purpose of the refund report is to provide a full accounting of the RMR invoice adjustments required by the Settlement.

III. BASIS FOR MOTION TO INTERVENE

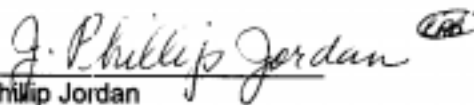

The ISO is a non-profit public benefit corporation organized under the laws of the State of California and responsible for the reliable operation of a grid comprising the transmission systems of Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company, as well as for the coordination of the competitive electricity market in California. As the operator of this grid, the ISO believes that it has a unique interest in any Commission proceeding concerning Must-Run service provided to the ISO.

Upon review of the refund report, the ISO did not discover any errors with respect to the calculation of payment adjustments between the ISO and the Mirant Parties. Accordingly, the ISO has no substantive issues with the refund report at the present time but reserves the right to file supplemental comments if warranted.

IV. CONCLUSION

For the foregoing reasons, the ISO respectfully requests that the Commission permit it to intervene, and that it be accorded full party status in this proceeding.

Respectfully submitted,
