***Individual designated for service pursuant to Rule 203 (b)(3), 18 C.F.R. § 203(b)(3)**

II. BACKGROUND

On June 24, 2005, the City of Anaheim, California (Anaheim), pursuant to Rules 207 and 205 of the Commission's Rules of Practice and Procedures petitions for a declaratory order by the Commission: (1) approving Anaheim's High Voltage Base Transmission Revenue Requirement as revised, (2) waiving the sixty-day notice requirement; (3) waiving the filing fee associated with this petition; and (4) granting any other relief or waivers necessary or appropriate for approval and implementation of Anaheim's revised transmission revenue requirement effective as of July 1, 2005.

By its Notice issued July 5, 2005, the Commission established July 15, 2005, as the date motions to intervene are to be filed in the above-captioned proceeding.

² In addition to Mr. Ivancovich and Mr. Jordan, the ISO respectfully requests that Ms. Le Vine be included in the Official Service List. Mr. Ivancovich and Ms. Le Vine work in separate buildings, and it would be of significant assistance to the ISO if both were included on the list.

III. BASIS FOR MOTION TO INTERVENE AND MOTION TO INTERVENE OUT OF TIME

The ISO is a non-profit public benefit corporation organized under the laws of the State of California and responsible for the reliable operation of a grid comprising the transmission systems of Pacific Gas and Electric Company, Southern California Edison Company, San Diego Gas & Electric Company, Trans-Elect NTD Path 15 LLC, Western Area Power Administration - Sierra Nevada Region and the Cities of Vernon, Anaheim, Azusa, Banning, Riverside and Pasadena, California. The ISO implements the Access Charge based on the Commission approved Transmission Revenue Requirement of its Participating TOs. As the operator of this grid, the ISO believes that it has a unique interest in any Commission proceeding concerning the issues raised in the captioned proceeding.

Due to an inadvertent error, a timely filed motion to intervene was filed on July 15 in Docket No. ER05-131, rather than the correct Docket No. EL05-131. Accordingly, the ISO is hereby refiling a motion to intervene one day out of time in the correct docket.

IV. CONCLUSION

For the foregoing reasons, the ISO respectfully requests that the Commission permit it to intervene one day out of time, and that the ISO be accorded full party status in this proceeding.

Respectfully submitted,
