NOTICE OF TECHNICAL CONFERENCE

(October 1, 2003)

As announced in the Notice of Technical Conference issued on August 15, 2003, a technical conference will be held on October 20, 2003, to discuss with state regulators and market participants the timetables for addressing wholesale power market design issues and to explore ways to provide flexibility the region may need to meet the requirements of the final rule in this proceeding. Members of the Commission will attend and participate in the discussion.

The conference will focus on the issues identified in the agenda, which is appended to this notice as Attachment A. However, participants/stakeholders may present their views on other important issues that relate to the development of the Wholesale Power Market Platform.

The conference will begin at 1:00 p.m. Eastern Time and will adjourn at about 5:00 p.m. Eastern Time at the offices of Consolidated Edison Company, 4 Irving Place, 19th floor auditorium, New York City, New York. The conference is open for the public to attend. Please note: to accommodate security regulations for the Consolidated Edison building, we are asking all attendees to preregister for the conference by close of business on Thursday, October 16 on-line at http://www.ferc.gov/whats-new/registration/smd_1020-form.asp.

Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. They will be available for the public on the Commission's eLibrary seven calendar days after FERC receives the transcript. Additionally, Capitol Connection offers the opportunity to remotely listen to the conference via the Internet or a Phone Bridge Connection for a fee. Interested persons should make arrangements as soon as possible by visiting the Capitol Connection website at <http://www.capitolconnection.gmu.edu> and clicking on "FERC." If you have any questions contact David Reininger or Julia Morelli at the Capitol Connection (703-993-3100).
