Reference: Transferred Frequency Response Agreement

On September 24, 2021, the California Independent System Operator Corporation (CAISO) filed a Transferred Frequency Response Agreement (Agreement) between CAISO and the Bonneville Power Administration (Bonneville).<sup>1</sup> The Agreement specifies the terms and conditions under which Bonneville will provide transferred frequency response to CAISO, and under which CAISO will compensate Bonneville. Pursuant to authority delegated to the Director, Division of Electric Power Regulation – West, under 18 C.F.R. § 375.307 (2020), the submittal is accepted for filing, effective December 1, 2021, as requested.

The filing was publicly noticed, with interventions and protests due on or before October 15, 2021. Pursuant to Rule 214 of the Commission’s regulations (18 C.F.R. § 385.214 (2020)), notices of intervention, timely-filed motions to intervene, and any unopposed motions to intervene out-of-time filed before the issuance date of this order are granted. Granting a late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed document; nor shall such action be deemed as recognition of any claimed
