Reference: Extension of term of Participating Load Agreement

Dear Mr. Anders:

On October 31, 2012, the California Independent System Operator Corporation (CAISO) submitted for filing an amendment to a Participating Load Agreement between CAISO and the California Department of Water Resources (CDWR).¹ CAISO has also submitted an Amended Participating Load Agreement (Amended PLA) which reflects the changes embodied in Amendment No. 7. CAISO states that the Amended PLA, which modifies Section 3.2, Termination, extends the current PLA from November 1, 2012 to May 1, 2013 without any other change. CAISO notes that extending the term of the current PLA will allow additional time for the parties to complete their negotiation of substantive changes to the PLA. Waiver of the Commission's notice requirements pursuant to section 35.11 of the Commission's rules and regulations (18 C.F.R. § 35.11) is granted, and the Amended Participating Load Agreement is accepted for filing, effective November 1, 2012, as requested.

The filing was noticed on November 1, 2012, with comments, protests, or motions to intervene due on or before November 21, 2012. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and

¹ CAISO has designated the amendment to the PLA as Amendment No. 7.
