ORDER OF CHIEF JUDGE REQUIRING STATUS REPORT

(Issued November 18, 2008)

1. By order issued February 25, 2003, the Chief Judge suspended the procedural schedule in these proceedings upon representations that the parties were moving toward a settlement and that a suspension would relieve them from unnecessarily filing testimony and exhibits in preparation for a hearing. Since that time, the participants have filed periodic status reports.
2. At a prehearing conference before Presiding Judge Joseph R. Nacy held on February 12, 2008, the parties reported that they are actively working on a settlement, but are awaiting the conclusion of the compliance process in the California refund proceeding before attempting to conclude and file a settlement in these proceedings.
3. The Chief Judge hereby directs the parties to file a further report on the progress of the settlement negotiations and whether the procedural schedule should be reestablished on or before November 24, 2008. Further status reports shall be filed every 90 days thereafter. The participants shall provide the Chief Judge with an electronic copy of all status reports at curtis.wagner@ferc.gov.

Curtis L. Wagner, Jr.
