III. CAISO’S INTEREST

Gilroy’s RMR Units are located within PG&E’s service area. This facility is needed to maintain the reliability of the CAISO Controlled Grid. As the Balancing Authority Area operator and as the counter party to the RMR Agreement, the CAISO has a unique interest in any Commission proceeding that affects an RMR Agreement. Accordingly, the CAISO has a direct and substantial interest in this proceeding and requests that it be permitted to intervene. Because no other party can adequately represent the CAISO’s interests in this proceeding and in

the absence of any prejudice to any party to this proceeding¹, the CAISO's intervention is in the public interest and should be granted.

IV. CONCLUSION

For the foregoing reasons, the CAISO respectfully requests that the Commission grant this Motion to Intervene Out-of-Time and make the CAISO a party in the above-caption proceeding with full rights of participation.

Dated: November 26, 2008

Respectfully submitted
