**UNITED STATES OF AMERICA
BEFORE THE
FEDERAL ENERGY REGULATORY COMMISSION**

**Southern California Edison) Docket No. ER08-1567-000
Company)**

**MOTION TO INTERVENE OF THE
CALIFORNIA INDEPENDENT SYSTEM OPERATOR CORPORATION**

Pursuant to Rule 214 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (“Commission”), 18 C.F.R. § 385.214, and the Commission’s September 26, 2008, Combined Notice of Filings, the California Independent System Operator Corporation (“CAISO”) submits this Motion to Intervene in the above captioned proceeding. In support thereof, the CAISO states as follows:

I. DESCRIPTION OF THE PROCEEDING

On September 24, 2008, Southern California Edison Company (“SCE”) submitted to the Commission a Generation Interconnection Process Reform (“GIPR”) Tariff Amendment for its Wholesale Distribution Access Tariff.

By its notice issued September 26, 2008, the Commission established October 15, 2008, as the date motions to intervene are to be filed in the above-captioned proceeding.

II. DESCRIPTION OF THE CAISO AND COMMUNICATIONS

The CAISO is a non-profit public benefit corporation organized under the laws of the State of California with a principal place of business at 151 Blue Ravine Road, Folsom, CA 95630. The CAISO is the Control Area operator responsible for the reliable operation of the electric grid comprising the

transmission systems of a number of utilities, as well as the coordination of the ancillary services and real-time electricity markets in California.

The CAISO requests that all communications and notices concerning this motion and these proceedings be provided to:

III. CAISO’S INTEREST

The CAISO has recently submitted and had accepted by the Commission, subject to a compliance filing, its own GIPR tariff amendment to the CAISO Tariff. SCE’s GIPR tariff amendment is intended to operate in coordination with the CAISO’s GIPR tariff amendment.

Accordingly, the CAISO has a direct and substantial interest in this proceeding and requests that it be permitted to intervene. Because no other party can adequately represent the CAISO’s interests in this proceeding, the CAISO’s intervention is in the public interest and should be granted.
