Rerun Update #1 - October 16, 2003 FERC Order on
Rehearing in the Refund Case

Market Participants:

FERC issued an Order in Docket No. EL00-95-081 et al. on October 16, 2003 regarding the Refund Case. In that order, FERC required the ISO to provide results of the settlement reruns by March 16, 2004 following the procedures set forth therein. The FERC Order can be accessed at:

The ISO is working to clarify several issues internally to begin the preparatory rerun phase as outlined in ISO Tariff Amendment 51 pleadings. Those pleadings can be found at: <http://www.caiso.com/docs/2003/04/16/2003041609022425110.html>

The ISO anticipates that the preparatory rerun will start on or about November 17, 2003, and will issue a further notice in the next few days with a more specific schedule.
