

The Office of Ratepayers Advocates (ORA) comments on the draft 2013-2014 Transmission Plan included comments on the San Francisco Peninsula Extreme Event Assessment. With this, the ORA comments have been posted on the ISO's Market Participant Portal (MPP) as they may contain CEII information. The ORA comments on topics other than the Extreme Event Assessment will be included within the comment matrix with the ISO responses to stakeholder comments that will be posted no later than March 13, 2014. The comment matrix will be posted under the *2013-2014 transmission planning process – draft plan and appendices* subheading under the *Phase 2 – conduct technical studies and develop comprehensive plan* heading on the ISO website (<http://www.caiso.com/planning/Pages/TransmissionPlanning/2013-2014TransmissionPlanningProcess.aspx>). The comment matrix with the ISO responses on the San Francisco Peninsula Extreme Event Assessment will also be posted on the MPP by March 13, 2014.
