ORDER REQUIRING STATUS REPORT

(Issued May 28, 2003)

1. By order issued February 25, 2003, the Commission's Chief Administrative Law Judge suspended the procedural schedule in these proceedings upon representations that the parties were moving toward a settlement and that a suspension would relieve them from unnecessarily filing testimony and exhibits in preparation for a hearing.
2. Since then, there has been no discernible activity in the proceedings — at least none that has been brought to my attention.
3. It is, therefore, **ordered** that, on or before Friday, the Sixth day of June, 2003, participants must submit a report to me, jointly or individually, describing the present status of their negotiations toward settlement and, if a settlement appears likely, an estimate of the date on which they expect to submit an offer.

Joseph R. Nacy
Administrative Law Judge
