

California ISO

Collaboration & Closing October 2025

Welcome

Our presentation will begin shortly.

Today's Presenter: Andrew Brown

Collaboration Opportunities

**RIMS Upgrade
Contact Matrix
Training Materials**

RIMS Improvements

- Current challenges - submittal locations
- More upfront validation
- Late Scope Submittal Submission
- Collecting feedback for those interested in providing opportunities of improvement for Modeling, Scope Submittals, ways to enhance footprint wide project visibility

Contact Matrix

**As CAISO
increases efforts
collaboration
and outreach for
missing data,
ensure we have
the proper
contacts**

WIM – Western Interconnection Modeling (This may be used for both RC and WEIM/EDAM purposes)

- ☐ Network Modeling – the people responsible for adding elements into the CIM/network model.
- ☐ EMS/ICCP – the people responsible for creating and provisioning access to ICCP data contained in the network model.
- ☐ RIMS RC Dashboard Submitter – the person who creates and submits projects into the RC Dashboard within RIMS.

WEM – Western Energy Markets Modeling

- ☐ Metering Submittals – The people responsible for creating and submitting the SCME documents (SQMD and SLD)
- ☐ Market Document Submittals – The people responsible for submitting the SC Letters, GRDT, and RCA documents.
- ☐ Regulatory Contracts Submittal – The people responsible for coordinating updated to the Regulatory Contracts (Schedule 1)
- ☐ WEIM Entity Approval Notification – The people who can provide approval at the BA level for resources to participate in the WEIM/EDAM.

RAS – Remedial Action Scheme Submittal and Modeling

- ☐ RC Portal RAS Submittal – The people who submit RAS documents to the RC Portal.
- ☐ EMS/ICCP Submittal – The people who submit the RAS ICCP into the RC Dashboard in RIMS.
