

Tariff Section	Reason for Change
9.3.1.3.1	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.1.1	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.1.2	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.1.3	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.1.4	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.2	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.2.1	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.2.2	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.2.3	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.2.4	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.2.5	Section deleted because replacement requirement eliminated and LSEs hold no substitution requirement.
9.3.1.3.3	Revisions to reflect substitution vs. replacement terminology.
9.3.1.3.3.1	Revisions to reflect substitution vs. replacement terminology.
9.3.1.3.3.2	Revisions to reflect substitution vs. replacement terminology.
9.3.1.3.3.3	Revisions to reflect substitution vs. replacement terminology.
9.3.1.3.3.4	Revisions to reflect substitution vs. replacement terminology.
9.3.1.3.4	Prior material moved to 40.9.3.6. Section now contains material previously in 40.9.3.5(d).
40.2.2.3	Typo correction.
40.2.2.4	Reflects new window for revising RA plans and clarifies changes allowed during that window.
40.3.2	Implement new rule that local RA requirement cannot exceed system requirement.
40.4.7.1	Reflects new window for revising Supply plans and clarifies changes allowed during that window.
40.7(b)	Revises deadline for curing RA plan deficiencies; removes obsolete language relating to failure to meet replacement requirement.

Tariff Section	Reason for Change
40.9.3.4	40.9.3.4 and 40.9.3.5 consolidated because no need to distinguish between maintenance and forced outages for purposes of these sections.
40.9.3.5	40.9.3.4 and 40.9.3.5 consolidated because no need to distinguish between maintenance and forced outages for purposes of these sections.
40.9.3.6.1	Description of substitution evaluation that CAISO conducts at or before T-22 to the month.
40.9.3.6.2	Description of substitution evaluation that CAISO conducts at or before T-8 to the month.
40.9.3.6.3	Description of substitution evaluation that CAISO conducts for outages submitted later than eight days before the start of a month.
40.9.3.6.4	Formerly 40.9.3.6.
40.9.3.6.5	Formerly 40.9.3.6.1.
40.9.3.6.6	Formerly 40.9.3.6.2.
40.9.3.6.7	Formerly 40.9.3.6.3.
40.9.3.6.8	Formerly 40.9.3.6.4.
40.9.3.6.9	Formerly 40.9.3.6.5.
40.9.3.6.10	Relocated from 9.3.1.3.4.
40.9.4	Conforming changes to reflect new approach to substitution.
40.10.2.3	Clarification of tariff authority for default allocation methodology for flexible RA requirements.
40.10.5.1	Reflects new window for revising flexible RA plans and clarifies changes allowed during that window.
40.10.5.2	Reflects new window for revising flexible Supply plans and clarifies changes allowed during that window.
40.10.5.4	Revises deadline for curing flexible RA plan deficiencies.
43A.2.1.2	Clarifies that sub-set of CPM authority does not extend to circumstances where a RA plan shows a resource on maintenance outage.
43A.2.3	Clarifies that sub-set of CPM authority does not extend to circumstances where a RA plan shows a resource on maintenance outage.
43A.2.7.2	Clarifies that sub-set of CPM authority does not extend to circumstances where a RA plan shows a resource on maintenance outage.
43A.4.2.2	Conforming changes to reflect new approach to substitution.
Appendix A-Committed RA Capacity	Remove reference to "RA Replacement Capacity."
Appendix A-Non-Specified RA Replacement Capacity	Obsolete term.
Appendix A-Off-Peak Opportunity RA Maintenance Outage	Remove reference to "RA Replacement Capacity."

Tariff Section	Reason for Change
Appendix A-RA Maintenance Outage With Replacement	Obsolete term.
Appendix A-RA Maintenance Outage Without Replacement	Obsolete term.
Appendix A-RA Replacement Capacity	Obsolete term.
Appendix A-RA Substitute Capacity	Amend definition to reflect broader scope of substitution.
Appendix A-Short-Notice Opportunity RA Maintenance Outage	Remove reference to "RA Replacement Capacity."
Appendix A-Specified RA Replacement Capacity	Obsolete term.
Appendix A-System Total Available RA Capacity	Obsolete term.
