

1 **QUALIFICATIONS OF MARY JO THOMAS**

2

3 Q. Please state your name and business address.

4 A. My name is Mary Jo Thomas. My business address is California Independent System Operator
5 (CA ISO), 151 Blue Ravine Road, Folsom, CA 95630

6 Q. Briefly describe your responsibilities at the CA ISO.

7 A. I am an Operations Engineer in the Loads and Resources group of the California Independent
8 System Operator's (CA ISO) Operations Engineering and Maintenance division. One of my primary
9 responsibilities is to develop the Seasonal Assessments for the CA ISO that evaluates the ability to meet
10 Load Forecast Requirements for the upcoming season using available capacity and transmission.

11 Q. Please summarize your educational and professional background.

12 A. I received a Master of Business Administration degree from California State University in 1994
13 and a degree in Electrical Engineering from California State University in 1999. I have over 10 years
14 experience in electric energy industry. My experience includes providing consulting services to
15 generation operators, retail service providers, and utilities while working at Henwood Energy Services,
16 Inc, providing consulting services to assist retail customers to manage their electric and gas energy
17 consumption for various Demand Side Management companies, and assisted in the Electrical
18 Engineering Design Department of Sacramento Municipal Utility District.

19 Q. Does this conclude your statement of qualifications?

20 A. Yes.
