2

3 Q. Please state your name and business address.

4 A. My name is Philip D. Pettingill. My business address is California Independent System
5 Operator (CA ISO), 110 Blue Ravine Road, Folsom, CA 95630

6 Q. Briefly describe your responsibilities at the CA ISO.

7 A. I am the Manager of Policy Development in the Regulatory Policy Department. My
8 responsibilities in this position include managing activities and staff responsible for development and
9 implementation of corporate policies that support CA ISO core functions. In addition, I oversee major
10 strategic decision-making efforts and communication of corporate policies, programs and initiatives
11 related to a wide range of national, state and local issues. My daily activities include analyzing energy
12 issues and proposing CA ISO positions in written papers, testimony and regulatory comments.

13 Q. Please summarize your educational and professional background.

14 A. I received a Masters degree in Business Administration from Saint Mary's College of California
15 in 1996. I received my Bachelor of Science in Electrical and Electronic Engineering from California
16 State University at Sacramento in 1983. I am a licensed Electrical Engineer in the State of California. I
17 have 19 years experience in electric transmission engineering and operations. After graduation in 1983,
18 I began work for Pacific Gas & Electric Company as a substation design engineer and held positions of
19 increasing responsibility until 1997. In 1997, I joined the CA ISO as the Manager of Transmission
20 Facilities where I managed the development and enforcement of the CAISO transmission maintenance
21 standards. In late 2001, I joined the Regulatory Policy Department in my current position.

22 Q. Does this conclude your statement of qualifications?

23 A. Yes.
