

California ISO Readiness Notes

Title: Western Energy Markets Website is Moving to a New Address

Expected Production Date: Tuesday, November 18, 2025

Contact: CustomerReadiness@caiso.com

Project Associated: Western Energy Markets Technology Upgrade

Details:

The Western Energy Markets website (previously westernim.com) has moved to a new address – **westernenergymarkets.com** – as of November 18, 2025 to reflect its broader focus and the upcoming launch of the Extended Day-Ahead Market in 2026.

Along with the new address, the site has received a technology upgrade. While all content remains in its familiar location, we've enhanced the functionality and implemented device responsive design for easier access across platforms. Along with the enhanced functionality, we'd like to point out some changes to the website navigation and new page features.

Changes to Menu and Functionality

- Previously, the menu was accessed by mouse hover-over. The new menu is accessed by mouse click.
- The About page was previously accessed by navigating to **About > How the markets work**. This information is now available when you click the **About** menu.
- New search engine implemented

Meetings Page (new)

A Meetings page has been added to the website.

The screenshot shows the Western Energy Markets website with a new 'Meetings' page. The 'Meetings and events' dropdown menu is highlighted with a red circle, and the 'Meetings' option is also circled in red. Below the header, the 'Meetings' section is titled, followed by 'Upcoming meetings' which lists three events: 'Market Update' (12/11/2025, 10:15 AM - 11:00 AM), 'WEM Governing Body Meeting' (12/16/2025, 12:00 AM - 11:59 PM), and 'Joint ISO Board of Governors and WEM Governing Body and Committees Meeting' (12/17/2025, 12:00 AM - 11:59 PM). A 'View full calendar' link is also present. Below this, the 'Meetings by topic' section includes a search bar and a list of categories: Generation and transmission, Governance and committees, Initiatives, Market and operations, Metering and telemetry, Recurring processes, and Systems and applications. A red callout box points to the categories list with the text: 'List of meetings can be sorted by selecting various categories'.

Meeting Information Incorporated into Relevant Pages

In addition to the new **Meetings** page, meeting events will be included on relevant pages, such as the Governing Body and Regional Issues Forum pages. Here is an example of how this information is displayed.

About | WEIM | EIM | **Governing Body** | Initiatives | Resources

Governing Body
Body of State Regulators (BSR)
Regional Issues Forum

Regional market offerings are governed by a five member body with energy industry or regulatory expertise, and are financially independent from market participants.

Governing Body

The Western Energy Imbalance Market (WEIM) is governed by a five member body with shared authority from the ISO Board of Governors on rules specific to participation to the WEIM and the Extended Day-Ahead Market that is set to launch in 2025.

Designated by regional stakeholders, the governing body is nominated by a committee of western stakeholders. These members bring a high level of professionalism and leadership, with work experience in public power, investor-owned utilities, and as state regulators.

Upcoming events

View full calendar

IN PERSON / ONLINE
Training - WEIM Governing Body General Session - Nov 20, 2025
11/20/2025
10:00 AM - 11:00 AM

ONLINE
WEIM Governing Body Meeting
12/16/2025
12:00 AM - 11:59 PM

For connectivity issues, call AT&T at 1-888-793-6118 then press 90 for assistance.

Public comments may be provided to the ISO Board of Governors and/or the WEIM Governing Body both orally during noticed meetings, and in writing. Oral comments for matters not on the agenda are addressed at the beginning of meetings, while those on agenda items are addressed when the item is presented. Written comments are publicly posted and should be sent at least one week prior to meetings to allow enough time for review by the Board and/or the Governing Body. Comment letters should be sent to lschaefer@caliso.com and ksosborne@caliso.com.

Library (new)

Library > Recent Documents (new)

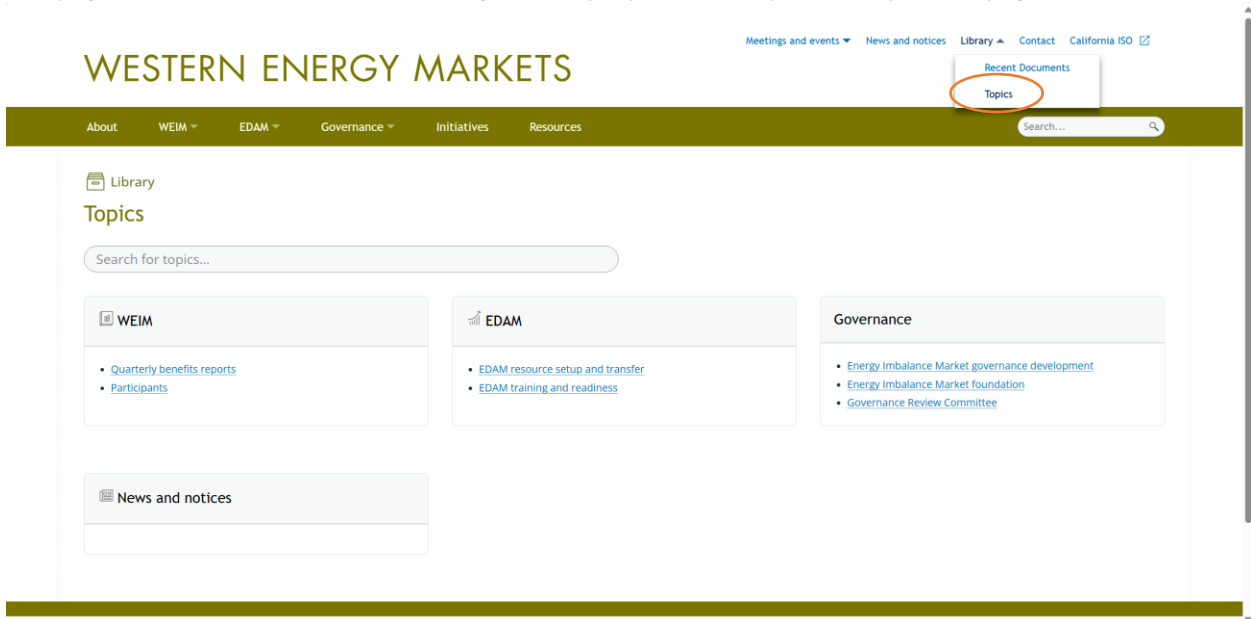

This page will show a list of the documents that have been posted in the last 30 days. See sample mockup of this page below.

The mockup shows the 'WESTERN ENERGY MARKETS' header with navigation links: Meetings and events, News and notices, Library (circled in red), Contact, and California ISO. Below the header is a green navigation bar with links: About, WEIM, EDAM, Governance, Initiatives, and Resources, along with a search bar. The main content area is titled 'Library' and 'Recent Documents'. It features a 'Last 30 days' filter and a search bar with the text 'Filter table contents by title...'. Below this is a table with columns: TITLE, TYPE, TOPICS, and POSTED. The table shows 173 of 173 results. The footer includes copyright information for 2025 California Independent System Operator, a list of links (OASIS, MPP, WEIM Portal, Developer, Glossary, Sitemap, Privacy and Terms of use), and a 'Back to top' button.

Library > Topics (new)

This page will show a list of documents organized by topic. See sample mockup of this page below.

The mockup shows the 'WESTERN ENERGY MARKETS' header with navigation links: Meetings and events, News and notices, Library (circled in red), Contact, and California ISO. Below the header is a green navigation bar with links: About, WEIM, EDAM, Governance, Initiatives, and Resources, along with a search bar. The main content area is titled 'Library' and 'Topics'. It features a search bar with the text 'Search for topics...'. Below this are three main sections: WEIM, EDAM, and Governance. Each section contains a list of links. The WEIM section includes 'Quarterly benefits reports' and 'Participants'. The EDAM section includes 'EDAM resource setup and transfer' and 'EDAM training and readiness'. The Governance section includes 'Energy Imbalance Market governance development', 'Energy Imbalance Market foundation', and 'Governance Review Committee'. There is also a 'News and notices' section at the bottom.

For any questions/comments, if you are a Scheduling Coordinator please submit a CIDI inquiry ticket. If you are a Generator Owner, please submit questions through your Scheduling Coordinator (SC), or use the Contact Us page on www.caiso.com. For application access issues, please contact the ISO Service Desk at (916) 351-2309 or (888) 889-0450.
