**Re: Revised Application of Trans-Elect NTD Path 15, LLC to become a Participating Transmission Owner**

Dear Ms. Le Vine:

Enclosed please find a Revised Application of Trans-Elect NTD Path 15, LLC for Participating Transmission Owner Status. We have made a number of minor changes to the application in response to your comments on our initial application. In addition, we have attached as Appendix B a draft Participating Transmission Owner Tariff. Please accept our Revised Application for filing as a substitute for our original Application. We are simultaneously mailing a copy of this application to the existing PTOs identified on the attached service list.

We are also sending you a copy of this application by e-mail today, with the exception of the map in Appendix A which is not available in electronic form. Please contact the undersigned if you have any questions regarding the Trans-Elect application or require any additional information. Thank you very much for your consideration in this matter.

Very truly yours,
