

CALIFORNIA ISO

SABP **APRIL POSTING**

The following posting is of the Settlement and Billing Protocol of the ISO Tariff ("SABP") as modified by previously posted Amendments that have now been accepted for filing by the Federal Energy Regulatory Commission ("FERC"), in orders issued on March 27¹ and March 30,² 1998.

This posting is intended to apprise the public of the current terms of the SABP following the ISO Tariff Amendment process that commenced in February 1998.

Amendment No. 1, originally filed with FERC on February 19, and docketed as Nos. EC96-19-014 and ER96-1663-015, was accepted by FERC with modifications and is therefore incorporated herein as so modified, to the extent that it amends the SABP.

Amendment No. 4, originally filed with FERC on March 3, and

¹ *California Independent System Operator Corporation*, 82 FERC ¶61,312 (1998).

² *California Independent System Operator Corporation*, 82 FERC ¶61,327 (1998).

docketed as Nos. EC96-19-017 and ER96-1663-018, was accepted by FERC without modification and is therefore incorporated herein in its entirety, to the extent that it amends the SABP.

Amendment No. 6, originally filed with FERC on March 23, and docketed as Nos. EC96-19-021 and ER96-1663-022, was accepted by FERC with modifications and is therefore incorporated herein as so modified, to the extent that it amends the SABP.

Amendment No. 6 includes certain temporary measures that will affect SABP provisions for a limited period of time. These temporary changes are shown in bold italics, with underlining for temporary additions and strikethrough for temporary deletions.
