This template has been created for submission of stakeholder comments on the Third Revised Straw Proposal for the Regional Resource Adequacy initiative that was posted on September 29, 2016. Upon completion of this template, please submit it to initiativecomments@caiso.com. Submissions are requested by close of business on **October 27, 2016**.

Please provide feedback on the Regional RA Third Revised Straw Proposal below.

The ISO is especially interested in receiving feedback that indicates if your organization supports particular aspects of the proposal. Alternatively, if your organization does not support particular aspects of the proposal, please indicate why your organization does not support those aspects.

SMUD previously supported the ISO’s proposal to allow external resources to substitute for internal resources. While SMUD is disappointed the ISO has removed this from the proposal, SMUD looks forward to a future initiative that addresses this issue.
