

IMPORTANT NOTE:

California ISO Conformed Tariff as of February 5, 2009

The Tariff is current through February 9, 2009. Currently effective language from Tariff Amendments and Compliance filings which FERC has approved is shown in clean copy. Pending language for Compliance filings that FERC has not ruled on as of February 9, 2009 is highlighted in grey.

Please Note: For amendment and compliance filings that supersede currently approved language, it will be necessary to consult previous versions of the Tariff to see the full text of the language superseded by the highlighted pending language.
