General Comments

The City of Santa Clara, doing business as Silicon Valley Power ("SVP"), appreciates the opportunity to submit comments in response to the California Independent System Operator ("CAISO") Flexible Resource Adequacy Criteria and Must-Offer Obligation Revised Straw Proposal. SVP, which operates in the CAISO as a Load Following Metered Subsystem, is a member of the Northern California Power Agency ("NCPA") and by the Bay Area Municipal Transmission Group ("BAMx"). SVP has reviewed and supports the comments submitted by NCPA and BAMx, and rather than reiterate those comments, SVP adopts and incorporates the comments by NCPA and BAMx as its own.
