

Hello There:

In regards to Catalog Item 2.1, Silicon Valley Power (SVP) supports the CAISO making a filing at FERC to get the October 1, 2014 date (for a Load Aggregation Point (LAP) filing) extended further, as this is an extremely low priority among the initiatives.

SVP appreciates the opportunity to comment. Please let me know if you have any questions.

Thank you,

Ken Kohtz
