**Re: California Independent System Operator Corporation
Docket No. ER00-____ -____
Amendment No. 29 to the ISO Tariff – ERRATA**

Dear Secretary Boergers:

Yesterday, we submitted for filing six copies of Tariff sheets for the California Independent System Operator Corporation (“ISO”) FERC Electric Tariff, reflecting Amendment No. 29 to the ISO Tariff; versions of those Tariff sheets identifying the changes effected by that amendment; and supporting materials.

It has come to our attention that five Tariff sheets (Nos. 21-A, 27-A, 210-A, 695-A, and 768-A) were inadvertently not filed as part of the Amendment No. 29 filing; these sheets contain Tariff sections that were “rolled over” to subsequent pages of the Tariff, as a result of changes and additions made in the Amendment No. 29 filing. The “rolled over” pages do not contain any new changes or additions. We enclose the omitted pages.

It has also come to our attention that one of the Tariff sheets (No. 66) filed in the Amendment No. 29 filing contained an error in the numbering of a section. The section on that Tariff sheet which was numbered 2.5.6.3 should have instead been numbered 2.5.6.4. We enclose a new Tariff sheet that corrects the error.
