The Honorable Magalie Roman Salas
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

**Re: San Diego Gas & Electric Company v. Sellers of Energy and Ancillary Services Into Markets Operated by the California Independent System Operator and the California Power Exchange
Docket Nos. EL00-95-001, et al. – ERRATUM**

Dear Secretary Salas:

On January 25, 2002, we submitted for filing, in the above-captioned dockets, Tariff sheets for the California Independent System Operator Corporation ("ISO") FERC Electric Tariff, reflecting revisions to those Tariff sheets to comply with the Commission's December 19, 2001 "Order Accepting In Part And Rejecting In Part Compliance Filings," 97 FERC ¶ 61,293 (2001); the December 19, 2001 "Order On Clarification and Rehearing," 97 FERC ¶ 61,275 (2001); and the December 19, 2001 "Order Temporarily Modifying The West-Wide Price Mitigation Methodology," 97 FERC ¶ 61,294 (2001). We also submitted versions of those Tariff sheets identifying the changes effected by the Tariff sheets, and supporting materials.

It has come to our attention that provisions on one Tariff sheet (No. 181B), which provisions the Commission has already approved, were inadvertently not included on that Tariff sheet as provided in the January 25 filing. The ISO did not propose in the January 25 filing, nor does the ISO propose now, any new changes or additions concerning the provisions described above. We enclose the substitute Tariff sheet No. 181B as Attachment A to the present filing.

The Honorable Magalie Roman Salas

Additionally, we enclose a form notice of filing, suitable for publication in the Federal Register (Attachment B), which is also provided in electronic format. Also enclosed are two extra copies of this filing. Please date-stamp and return the copies to our messenger. If there are any questions concerning this filing, please contact the undersigned.

Respectfully submitted,

Charles F. Robinson
Margaret A. Rostker
