**UNOPPOSED MOTION OF THE CALIFORNIA INDEPENDENT
SYSTEM OPERATOR CORPORATION TO
AMEND THE PROCEDURAL SCHEDULE**

To: The Honorable Bobbie J. McCartney
Presiding Administrative Law Judge

Pursuant to Rule 212 of the Commission's Rules of Practice and Procedure, 18 C.F.R. § 385.212 (2000), the California Independent System Operator Corporation ("ISO") hereby moves to amend the Procedural Schedule established in this proceeding to accommodate the new hearing date of October 16, 2001. No party to the proceeding objects to this Motion.

I. Background

The ISO filed its unbundled Grid Management Charge ("GMC") with the Federal Energy Regulatory Commission ("Commission") on November 1, 2000. This filing was supplemented with Period II cost data and supporting testimony on December 15, 2000. On November 13, 2000, Pacific Gas and Electric Company ("PG&E") filed its proposed GMC pass-through Tariff, which was modified on December 26, 2000. The GMC and PG&E pass-through proceedings were consolidated by the Commission and set for hearing in an order issued December 29, 2000, and the consolidated proceeding was

assigned a Track 2 schedule by order of the Chief Judge dated January 8, 2001. The current procedural schedule was set by order of the presiding Administrative Law Judge on January 18, 2001.

On April 19, 2001, the ISO filed an unopposed motion to change the proceeding to a Track 3 schedule and requested a new hearing date of October 16, 2001. On April 24, 2001, the Chief Judge issued an order that, while retaining the Track 2 schedule with regard to the briefing and initial decision phases of the proceeding, postponed the hearing date to October 16, 2001, as requested by the ISO.

II. Proposed Changes to Procedural Schedule and Request for Waiver of Responses

The ISO proposes the following changes to the procedural schedule to accommodate the new hearing date:

	<u>Original Date</u>	<u>Requested Date</u>
Staff Testimony	May 11, 2001	June 21, 2001
Intervenor Cross/Answering Testimony	June 22, 2001	August 3, 2001
Rebuttal Testimony	July 27, 2001	September 10, 2001
Hearing	August 21, 2001	October 16, 2001

In light of the absence of opposition to this Motion, the ISO requests that the Presiding Judge waive the requirement for responses to this Motion, in order that the parties may have a ruling as soon as possible.

III. Conclusion

Wherefore, the ISO respectfully requests that the procedural schedule be modified as described above.

Respectfully submitted,
